

# Listening to Trump's America: Bridging the Divide

a presentation by:

## JOE SIMITIAN

Here in the Bay Area we live in a bubble. While 46% of the American electorate voted for President Donald Trump last fall, in Santa Clara County the number was just 21%. What makes the rest of the country see things somewhat differently from folks here in the Bay Area? To get some answers, Supervisor Simitian traveled to three counties, in three states this past spring. Come hear him talk about what he learned.

Joe Simitian was elected to the Santa Clara County Board of Supervisors in 2012 and represents the Fifth District.

Joe's public service over the years includes stints as a member of the California State Senate, the California State Assembly, Mayor of Palo Alto, and President of the Palo Alto School Board.
